Superintendent Goals for 2021-2022

- Work with Administration, Faculty and Staff to develop and utilize opportunities to increase student growth and achievement. Programs such as summer P.R.E.P., after school tutoring, individual/small group assistance, and homework club will be planned and implemented throughout the year.
- Communicate and collaborate with Administration, to ensure that the new administrative configuration is successful and meets the needs of our students, staff, and faculty.
- Work cooperatively with JVEA and JVESPA to complete contract agreements for the start of the 2022-2023 school year.
- Collaborate with Administration, Faculty and School Board to research, evaluate, purchase and utilize successful data driven Math and ELA programs District wide.
- Continue monitoring District and County COVID cases/quarantines to determine needed changes in the Health and Safety Plan.

*The Board marked the Superintendent Evaluation as Exceeding Expectations on August 11, 2021.*
