Dear Parents:

The Junior-Senior prom is an important event for teenagers. At Juniata Valley it is important you take the time to read over and then review with your son or daughter the information found in the attached prom guidelines sheet.

We believe the guidelines create a structure that promotes a safe and enjoyable evening for our students and their guests. Failure to abide by any of the guidelines will lead to disciplinary consequences as spelled out in our student handbook. Please be advised that the school will not be providing any activities once the prom is concluded at 10:00 PM, and we would encourage you to set some guidelines as to the activities which take place once the prom has concluded.

If you have any questions, please feel free to call the High School at 669-4401.

Sincerely,

Michael L. Estep  
High School Principal
